LETTER OF RECOMMENDATION

To whomsoever it may concern

With great pleasure, I recommend **Abhay Patidar**, on the basis of his performance as a member of **Web Development Team**. He worked as an Intern **Backend Developer** from **October 29, 2020 to February 28, 2021**.

The way he carried out his duties with passion and enthusiasm was very interesting and impressive. During the due course of time, he served with us; he was great asset to us for his quality, productivity & timely completion of tasks assigned to him.

With this, I would like to extend my Best Wishes to him for all the future endeavors & hope he will have a bright future.
